## Junior League mixer offers insights to membership

Women looking for the chance to make a difference in their community are invited to an informal mixer hosted by the Junior League of Arlington on Thursday from 6:30 to 8:30 p.m. at Fuzzy's Taco Shop in Mansfield.

Prospective members will have plenty of time to mix and mingle with the current members and learn more about the women's organization, which focuses on developing the potential of women and bettering the community using the effective action and leadership of trained volunteers.

"The Junior League of Arlington is an organization that promotes volunteerism, develops leaders and improves our community through the efforts of dedicated women. Please join us to learn more about becoming a part of this amazing organization," said Lisa Hudson, who is in charge of recruitment.

Assisting Hudson in planning the event are **Deidra Frazer, Kelly Millikan** and **Brandi Washington**. **Jeannie Deakyne** is president of the Junior League.
